

Preliminary Amendment
New U.S. National Stage Entry of PCT/JP2004/017287

AMENDMENTS TO THE SPECIFICATION

Amend the specification by adding before the first line the sentence:

This application claims priority from PCT Application No. PCT/JP2004/017287 filed November 19, 2004, and from Japanese Patent Application No. 2003-412503 filed December 10, 2003, which applications are incorporated herein by reference.
